આનંદ વિભાગ

જય જિનેન્દ્ર

To my loving Papa

Every tear in my eye to drop
Every smile on my face to stay
Before every I take
Remember your long night and day
You gave me this life to live
Books and pen to prove my self
But, as a friend, as your self.

Every joy and every success
Is not mind one, it is your is too
You are the a greatest dad I live ever seen
Also as the best friend

And I am lucky to recieve your blessing
Which means more each and every...

I Love You Papa

Mother

A mother who always cares
A mother who always there
A mother who always prays

When thing gets rough
when life gets tough
When all is just to much to bare.

God's word she smiles
God's light she shines
God blessed God made this mother mine.

I Love You Mummy
